Wichita Hosta Society

Welcome! The purpose of the **Wichita Hosta Society** is to spread the love of hostas and shade gardening whenever and wherever possible, to encourage interest in Hostas, to be affiliated with The American Hosta Society, and to maintain a "Hosta Of The Year" bed at Botanica, the Wichita Gardens. Membership is open to any person who wishes to support the purpose of the society.

If you are interested in joining The Wichita Hosta Society, we meet for educational meetings the third Tuesday of each month at Botanica, the Wichita Gardens, which is located at 701 Amidon Street in the Historic Riverside area of Wichita. Monthly outdoor Garden Parties are held from May through September in the gardens of our members and other select gardens throughout the Wichita metro area. We exchange ideas, helpful hints, and sometimes even plants. It opens your mind to the unlimited possibilities in creating the garden of your dreams. Come join us, we would love to have you be a part of the fun!

Each spring we work together on designing and building our garden for the Wichita Garden Show at Century II. The Wichita Garden Show has been voted "One the Top Ten in USA" by House Beautiful Magazine. Over 43,000 people visit each year.

Annual club dues are just \$15.00 per year for Singles, \$18.00 per year for Families. Your membership includes a monthly newsletter and pre-purchase privileges of rare and new hostas before they are made available to the general public.

If you have comments or questions about our society, please feel free to contact one of our officers listed on the left and they will gladly assist you.
