

**We would like to thank the contributors and bidders
who participated in the
2010 AHS Convention Auction**

This is a list of the items that were donated to the convention auction. This is surely a hostaholics dream come true! Nowhere else on earth will you see so many of the 'hostas of the future' presented in one room! Remember: When you participate in an auction, you have the chance to own the plants of the future. You can view more photos of these plants at the hosta library <http://www.hostalibrary.org/>
