

# HOSTAS of KENTUCKIANA

## Louisville, KY

2011

Hostas of Kentuckiana, based in the Louisville Kentucky and Southern Indiana area, was founded in 1993 by a group of hosta enthusiasts who wanted to share their love of hostas and gardening with others. The group has grown to about 50 members today. Our common love of hostas has enabled us to become friends who share more than plants and growing tips. The club meets six times per year featuring educational lectures and garden tours.

We have a yearly plant sale, a yearly accredited cut-leaf show and a beautiful newsletter.
