Questions can be answered by calling (816) 697-2007 or emailing GiboshiGayle@gmail.com

Feel free to photocopy this form, or visit http://www.hostaregistrar.org for additional copies.

Terms used on this form can be found in The American Hosta Society Glossary of Terms http://www.hostaregistrar.org/hosta_terminology.html

Registrations received by November 1 will be included in that year’s registration publication.

Please Note: Un-established cultivar names submitted for registration do not become established until they are published in the Registrations supplement of The Hosta Journal, accompanied by their description. However, cultivar names can become established outside this avenue by being published elsewhere prior to the publication date of the Registrations supplement (which could potentially negate your registration).
